**LSCU Honors Florida Congresswoman Kat Cammack
as 2023 Federal Lawmaker of the Year**

WASHINGTON, DC – The League of Southeastern Credit Unions (LSCU) is excited to announce that Congresswoman Kat Cammack has been named the 2023 Federal Lawmaker of the Year in Florida. She was formally honored this week at the America’s Credit Unions Governmental Affairs Conference in Washington, DC.

“I have seen and experienced the profound impact that credit unions have on the lives of consumers across Florida. From helping a family buy their first home to empowering entrepreneurs with the capital they need to start a business, credit unions are committed to serving local communities across the Sunshine State,” shared Congresswoman Kat Cammack. “I am honored to be recognized by Florida credit unions as their Lawmaker of the Year and look forward to continuing to work alongside them in making a difference for the 20+ million people who call Florida home.”

After being nominated by the Federal Advocacy Policy Committee, Rep. Cammack’s nomination was unanimously approved by the LSCU Board of Directors following discussion of her unrelenting support for credit unions and their legislative priorities.

“From standing up against government overreach to safeguarding the payment system so consumers can rest assured knowing their financial data is safe and secure, Rep. Cammack has stood with Florida credit unions and their 7+ million members time and time again,” announced Grace Newcombe, LSCU Vice President of Federal Advocacy and

Communications at LSCU. “We are proud to have a friend and fighter in Congresswoman Kat Cammack.”

First elected to Congress in 2021, Rep. Cammack serves on several House committees and caucuses, including the House Committee on Energy and Commerce, the House Agriculture Committee, and the House Subcommittee on Innovation, Data, and Commerce. Her district includes a number of largely rural counties in North Central Florida, and her childhood on a small cattle ranch in Colorado gives her a unique perspective and penchant to partner with credit unions in advancing underserved communities.

We are grateful to Congresswoman Cammack and appreciate her service on behalf of our members across the district and state.
