CUVM Partners with Sheriff Central to Offer Vendor Management to Law Enforcement

TALLAHASSEE, FL – CUVM, the vendor management solution for *LEVERAGE*, is proud to partner with Sheriff Central to deliver a comprehensive contract, vendor, and grant management tool for law enforcement offices across the nation. CUVM’s cloud-based software solution will allow sheriff’s offices to manage their business operations like never before.

“Sheriff Central Vendor Management is committed to making your life easier by providing a dependable and cost-effective alternative to manage vendor and regulatory due diligence,” said CUVM Vice President Kelli Silvernale. “To put it simply, we take the burden off your agency, so you don’t have to worry about time-consuming contracts and additional regulations.”

CUVM has been providing simple solutions in vendor management for credit unions for more than 14 years. This partnership allows CUVM to use its software to assist sheriff’s offices and municipalities across the country. CUVM streamlines the entire contract process, saves businesses time and money, and centralizes storage and retrieval of contracts. The CUVM team offers personalized service with dedicated analysts and support staff, ensures all contracts are compliance-friendly, and meets Criminal Justice Information Services (CJIS) requirements.

“We aim to protect your business and vendor relationships with our comprehensive solutions while serving you with an unmatched level of customer service,” Silvernale added.

“Organization, timing, knowledge of contracts, terms and conditions are essential to successful contract negotiations. By partnering with Sheriff Central, we look forward to protecting and serving those who protect and serve!”

For sheriff’s offices looking to enhance their vendor management tools, CUVM offers many benefits. Limited reviews are provided for specific vendors that address levels of risk outlined by CJIS. The CUVM software is available 24/7 and allows unlimited contracts and gives employees

the ability to upload and store all vendor documents in a secure location, while also keeping a running history of all contracts and documents. By utilizing CUVM's services, sheriff offices can step away from the desk and spend their days meeting with citizens, investigating crimes, and preventing crimes. CUVM and Sheriff Central are dedicated to supporting the Office of Sheriff.
